

The Power of the QUARTER PONY!

OUR GOALS

To provide beneficial services for our membership which enhance and encourage Quarter Pony ownership, registration and participation.

To generate growth of QPA membership via the marketing, promotion, advertising and publicity of the Quarter Pony.

To help organize shows in all the different regions of the U.S.A., and abroad, that exhibit significant interest in the Quarter Pony.

To form alliances with QPA approved Quarter Pony registries to ensure a common direction.

WHAT WE DO

At present, several different Quarter Pony Registries exist. The Quarter Pony Association (QPA) felt most of these pony registries, while handling the pony registration process well, needed assistance with items QPA calls **membership services**.

MEMBERSHIP SERVICES

Governing Board & Officers: Ensuring opportunities for all regions and pony types to be represented in QPA decision making processes.

Monitoring QP Registries: QPA continues to monitor pony registration process and business practices of all QPA approved affiliate registries.

QPA Info: Monthly newsletter, special announcements, and breed specific information.

Points & Awards: Updating points, issuing awards, announcing award winners.

Brochure created 04/23/11 rki-CO

The Quarter Pony Association (QPA) recognizes the desire to include ponies of various colors and color patterns. Acceptance of color will enable breeders to raise a variety of recognizable color patterns onto the Quarter Pony size and conformation. As such, QPA will promote the correct, well-balanced, sound pony with Quarter type conformation and enough body, speed and eye appeal to sufficiently compete with larger breeds, as well as, other ponies.

The Quarter Pony Association (QPA) is not a pony registry. Instead of creating another registry, QPA forms alliances with approved Quarter Pony Registries. To qualify for for QPA benefits, ponies must be registered with one of the approved Quarter Pony Registries. QPA approved registries are:

WESTERN QUARTER PONY REGISTRY

and the new

INTERNATIONAL QUARTER PONY ASSOCIATION (IQPA) located in TN.

Since the Western Quarter Pony Registry merged with the new International Quarter Pony Association (located in TN), the new IQPA is now the only QPA approved affiliate pony registry.

Pony registration information can be obtained directly through the pony registry website at:

www.IQPA.com

or you may access the IQPA registry link found on the Quarter Pony Association website at:

www.QuarterPonyAssociation.com - NOTE: Memberships can be paid for online via paypal, if preferred. Go to QPA's website for instruction. However, completed original application (to the left) must be mailed, via US mail, or scanned and emailed per instructions.
